

IVAN LOCHAN

LEARNING & DEVELOPMENT MANAGER

Advanced Systems Group

For over a decade Ivan has been at the forefront of helping organizations improve every aspect of the employee experience, starting from a team member's very first day to their last. Whether it's implementing onboarding processes, learning management systems, leadership development programs and creating tailored learning opportunities for executives to whole organizations, there's no part of talent management that he hasn't been part of.

Ivan has an extensive background working in human resources, organizational development, talent management and learning and development for small to multi billion dollar organizations in the tech, retail, education, healthcare and non-profit industries.
